21 DAYS OF FASTING

*There is a prophetic liberation that occurs in an individual
or congregation that fasts continually*

INSTRUCTIONS FOR 21 DAYS OF FASTING

After passing through many experiences with God in his past, Daniel needed something deeper and more intimate in his spiritual life. El He proposed in his heart not to contaminate himself and then he proposed to pray and fast for 21 days to achieve what he was proposing. Like Daniel, we must propose to reach the purpose that God has for our lives. Daniel's fast brought liberation, favor, grace, anointment, and change to his situation with revelation for himself and for the people of Israel. For this reason, "CDMG" is joining in one spirit toward God like Daniel and the people of Israel so that He may answer our petitions, and bring liberation, anointment, grace, and favor over us.

What is fasting? It means to abstain from food for a period of time with the spiritual purpose that may be revealed over the natural world, "Your Kingdom come, your will be done on Earth as it is in Heaven" (Matthew 6:10)

Types of Fasting

- ABSOLUTE no food, no water
- TOTAL no food, just water and juice
- PARTIAL just fruits and vegetables

Initial date: Sunday January 7 after lunch

End date: Saturday January 27

Spiritual Recommendations

- Pray
- Read the Bible
- Worship God
- Have an intimate communication with the Holy Spirit.

Recommended Foods we may have/Foods we may not have:

A – Foods that are recommended to eat during the fast

- Vegetables without artificial preservatives
- Fruits without artificial preservatives
- Liquids- 100% natural juice

B – Foods that are NOT recommended to eat during the fast.

- Meat, rice, fried food, bread, caffeine, soft drinks, foods with preservatives, refined sugar or sugar substitutes (Equal, Splenda, etc.), flour, margarine, lactose, products high in fat.

7 Steps for the Daniel Fast

1. Be specific, Daniel did not stray from abstaining from the Babylonian diet. He defined himself immediately. Daniel 1:8
 - a) The king's food was against the Jewish diet.
 - b) Daniel and his friends made a decision against wine.
 - c) The food of the king could have been offered to idols and demons.

2. Reflect internal desires with external discipline. Many people have an internal desire for a better health, but they cannot discipline themselves to avoid junk food and other foods that are not good for your health. Physical health is normally connected to many of these factors.
 - a) The food you choose.
 - b) The level of spiritual commitment in your prayers during the fast.
 - c) The time commitment. If you decide to fast for a time you must maintain it, if you decide for ten days, don't stop at day nine.
 - d) Your commitment is your testimony. Your fast is your declaration of faith in God.
 - e) You want God to heal your body. Faith is fundamental in the Daniel fast.

3. Fasting is a spiritual commitment toward God. Daniel proposed in his heart to not be contaminated
4. Pray for revelation, many of the sicknesses (physical, mental, or spiritual) are connected to sin.

Read James 5:13-20

Our actions and attitude are important. **James states, “Is anyone among you in trouble? Let them pray. Is anyone happy? Let them sing songs of praise.” James 5:13**

A sick person must call the elders of the church to pray for them. **James 5:14**

Sin is sometimes related to sicknesses. A lack of good health or healing is sometimes a result of spiritual rebellion. A lack of good health or healing could be from poor nutrition, drugs, pornography, etc. James 5:15

Repentance is connected to health. **James 5:16**

Prayer alone sometimes does not improve health, faith in God is the biggest factor. **James 5:15, 17, 20.**

5. Fast as a declaration of faith to others. Daniel was making a declaration of faith, when he asked for only vegetables to eat and water to drink. Then Daniel asked to compare the appearance of the four sons of Israel with the other people who ate the king's food.

6. Learning the effects of what we eat. What do some good foods do to our body? What do bad foods do to our body? What are the effects of food in our body? If we answer these questions, it is probable that we would never eat some things again.

7. Give the results to God, Daniel said, “and then at the end of the days you will rise to receive your allotted inheritance.” **Daniel 1:13**

Remember...

- The Daniel Fast guides you to a new spiritual vision.
- The Daniel Fast is longer than just one day. The four young Hebrews were given wisdom by God. The young men originally fasted for 10 days.
- The Daniel Fast is partial. They ate only vegetables and water.
- The Daniel Fast requires abstaining from parties and junk food.
- There is no indication in the Bible if they started to eat the king's food at any moment.
